Priority Date: 17 July 2003  
Attorney Docket No.: SII-04  
For: DIETARY SUPPLEMENT FOR  
PROMOTING CONTROL OF BLOOD SUGAR  
LEVELS AND ASSOCIATED PATHOLOGY  
IN TYPE 2 DIABETICS

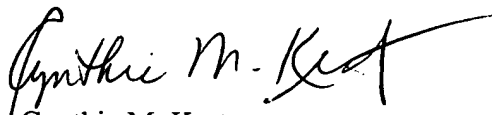

DECISION ON  
PETITION TO REVIVE  
UNDER 37 CFR 1.137(b)

The petition to revive under 37 CFR 1.137(b) filed 07 March 2007 in the above-captioned application is hereby **GRANTED** as follows:

Applicant's statement that the "entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional" meets the requirements of 37 CFR 1.137(b)(3).

A review of the application file reveals that on 27 April 2006, a Notification of Insufficient Fees was mailed to applicant indicating that additional claim fees of \$405 were required. The application went abandoned for failure to pay these fees by the deadline set forth in the Notification, two months from the mail date or by 27 June 2006. These fees are provided with the petition to revive. The required petition fee of \$750 was also paid. Thus, the requirements of 37 CFR 1.137(b) have been satisfied. Therefore, the request to revive the application abandoned under 35 U.S.C. 371(d) is granted as to the National stage in the United States of America.

This application is being forwarded to the United States Designated/Elected Office for further processing. The 35 U.S.C. 371(c)(1), (c)(2) and (c)(4) date is **7 January 2006**.
